

Session 2 -- The History of Egypt*

*These activities can be accomplished by individual students or as a group.

- Visit this web site to learn about the [River Nile](#). Take special note of the information about the Nile crocodile.
- This website will show you a map of [archeological sites](#). Use this same site to see important [archeological finds](#).
- This web site offers a [timeline](#) of the early Egyptian times. Notice the links that can be investigated for more information.
- Probably the most famous Egyptian King was Tutankhamen (King Tut). Take this opportunity to visit [King Tut's Tomb](#). Now look at the [Treasures](#) found in the tomb. This [National Geographic](#) site is a 'must see' for information on this famous king. Using the Navigation bar on the left select 'At the Tomb of Tutankhamen', then view Day 1, Day 2 and Day 3.

Assignment

Complete the 'Jeweler of Memphis' [activity](#). Read and follow the instructions for this activity.

Use *Microsoft Word* and write a summary about the History of Egypt. Specifically address the discovery of King Tut's Tomb. Print and give your summary to your teacher.
