

## Session 6: Pyramids of Egypt

Have you ever been in a pyramid? Visit these Egyptian pyramid sites and have a look around.

[The Pyramid of Khufu](#) - Read the information at this site. Take a tour of this pyramid and then learn about the interior of the pyramid. Be sure to look at the pictures.

[The Bent Pyramid at Dashur](#) - Explore this famous pyramid. At this link read about and see the outside of the Bent Pyramid. Now look [Inside the Bent Pyramid](#).

[Atlas of the Valley of the Kings](#) - Discover each tomb in the Valley of Kings at this interactive version of an Atlas. Investigate a database of information about each tomb, view a compilation of nearly 2,000 images, interact with models of each tomb, and measure, pan, and zoom over 250 detailed maps, elevations, and sections. Experience sixty-five narrated tours by Dr. Weeks and explore a 3D recreation of tomb KV 14.

This site has information about the great pyramids, but also has information on the Sphinx. Learn about these [Guardians of Ancient Egypt](#).

### Activity 1

This site offers a [variety of games](#). Try at least 3 different games for fun and to test your Egyptian knowledge!

### Activity 2

Use this math lesson to [create your own pyramid](#). Decorate your pyramid with Egyptian symbols, put your name on it and turn it in to your teacher.

### Activity 3

Solve math problems using this Egyptian decimal system. Use this [lesson](#) to try your skill at deciphering and calculating Egyptian decimals. Put your name on this paper and turn it in to your teacher.
